LUSTS FOR ALANA

Dear PURELY 18,

That girl Alana in your July issue looked awfully familiar. I swear I've beat my meat to that sweet young thing before, but I'm sure I've never jerked off like this to her before!

I like the turquoise tanktop, I enjoyed the pink boxers (with their appropriate little red cherries), and I was even more enchanted with the panties beneath. But the real kicker for me was when she took all that off and showed off that body! Maybe it's just me, but I prefer my girls nude. Nothing left to the imagination—hell, if I wanted to imagine, I'd go work for some company that imagines things or whatever they do—I want my chicks straightforward and totally naked. That means naked with their boobies and snatchies on full display.

Alana is like a peacock, the more you see, the better she looks. Her tits are small and pretty, and I know I could suck on them real nice. And then that snatch, not a hair in sight, and her legs spread—that's exactly how I love my women! Naked and spread before me. It sure helps when I'm jerking off and I have her entire body on display for me to enjoy and splurt on.

Speaking of, I better go my another issue. These pages getting all wrinkly and stuck together.

Andre
Whiskey Dick Mountain, WA

Dear Andre,

We don't mind you purchasing another copy, and Alana is certainly worth every pump of jizz. She may look familiar because she is sometimes known as Jamie Langford, but we took these photos before she even had the opportunity to change her name, and our team of attorneys insisted that we should go with her requested name of Alana. Great eye, Andre!

CRAZED OVER CARMEN

Dear PURELY 18,

What's the story with Carmen? I know you told us a little about her when you ran her photos [July 2008], but I want to know more, and more than the obvious. I can see that she is super pretty, I know she has dirty blonde hair, I know her tits are big and natural (believe me, I can spot falsies a mile away!), and we all saw that little hint of a landing strip.

There's no reason for me to go into detail about how she got up on the pool table and took that pink vibrator and titty-fucked herself before cramming it into her little hole of hers. We all saw it, we all loved it, now tell us something we don't know. Is she single? What kind of guys does she like? What's her favorite position? Color? Fruit?! Anything, just tell us a little something so we can get to know her.

Most importantly, please tell us that you'll have her in the magazine once again. I miss her already!

Dear Steve,

So many questions, so little space! Carmen is indeed single, she loves men of all types ("Especially those who treat me like the princess I am!" she says), and her favorite position is doggie because she says it really hits her hot spot. What else? Oh, color: blue. Fruit: mango. The biggest question—will we have her back?—is up to her. She knows we love her and she has an open offer to appear in our pages.

FLAWLESS TRISHA

Dear PURELY 18,

Have all my Teen Dreams finally come true? It would seem so after seeing Trisha in the center pages of your magazine. I looked closely—going so far as to get out the magnifying glass—and I was unable to find a single flaw on this girl.

Maybe it's just a European thing, maybe they all look like Trisha over there. (If that's true, I'm applying for a passport today!) I've never seen more perfect tits. I've never seen such tremendous tone. The ass, the tits—the everything! She's perfect!

Then as though I might find a flaw if I saw more skin, you guys had her get out of her skirt and panties, show off that shaved bush and even spread her legs as if to say, "Go ahead, put your cock in my gorgeous hole now!"

Again, I looked for a flaw. Was there something funny about her cooch, maybe something about her lips that wasn't quite right? No, there was not. That's why when she pulled out her purple vibrator I pulled out my purple-headed cock and jerked it in the same rhythm she seemed to be taking with her own masturbation. I'd never masturbated with a girl before and I must say it was a total turn-on and I think we came at the same time. I can't wait to do it again!

Erik
Hookersville, WV

Dear Erik,

*Our friend, you must trust us! There's no need for a magnifying glass in **Purely 18**, we inspect each and every one of our models most closely to ensure that our readers have the best possible experience with the barely legal babes we expose for you. But you're right, Trisha truly is without flaw. We suggest you apply for that passport, if only to check out the scenery.*

"CORNY" KOKO

Dear Koko,

Please won't you come to me and my big penis? I have long dong and would love to love you. Even long time. I hang on to your pigtail and sniff your hairy bush. You throw vibrator away and use my cock now. Besides it looks like corn! What Asian girl masturbate with dildo that looks like corn? That for hillbilly in America. You come to China and I show you what real love is really.

Cho
Chongquing, China

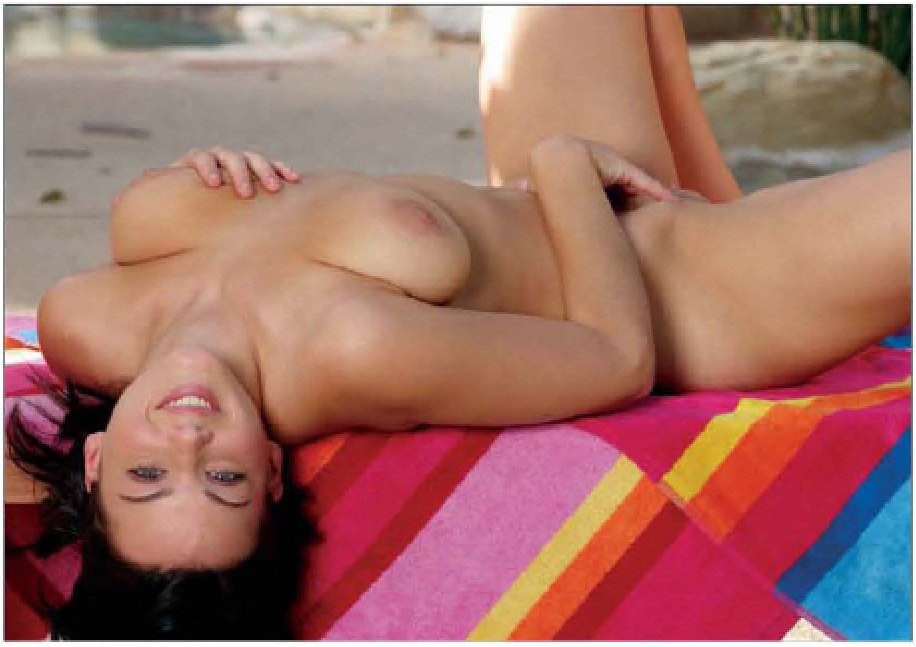
Dear Cho,

Just like the Olympics your country will be hosting, there's a lot of competition for lovely Koko Li. She is both exotic and erotic and we wish we could set you up right now. In the meantime, we've passed your letter on to Koko and, who knows, maybe one day the lovely girl will show up at your door. If so, tell her we need more pictures!

Natasha

BUSTY PORNO-TEEN

Natasha Nice is the perfect porno-teen! She's incredibly pretty, has enormously suckable boobs (look ahead, she even loves to suck her own beautiful boobies!), possesses a delicious, pink pussy, and SHE LOVES TO FUCK! That's a winning combination, all around! Now Natasha, if we could only get you to give us a friction-filled tit-fuck blow-job, that would be very NICE indeed!



*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Madison, a curious 18-year-old, as she ponders her world of . . . what else . . .SEX!*

A Young Girl's Diary

Dear Diary,

I love Andrea! So many of my friends are just backstabbing bitches and I'm not gonna put up with it anymore. I totally don't like that. Plus, I think Andrea and I aren't really just "friends" anymore, we're more….well…we're like girlfriends now. And I mean girlfriends, like with sex and everything!

I've been curious for a long time, and as much time as I have spent playing with my pussy the last couple years you'd think I'd be real good at playing with someone else's, but it's so different when someone else does it, especially when they know what they're doing.

First of all, Andrea shaves her pussy completely bald! Well, sure, I shave in the summer when I wear a bathing suit, but I never really thought about shaving it all off even though a bunch of the girls do it now. So even though Andrea and I have been kind of playing around for a while now, it wasn't until a few days ago that we went, you know, down there!

Andrea started it. She came over and she was wearing that little blue skirt that I like so much and then she was like, "It's hot in here, or is it just me? I guess there's only one way to find out!" And then she took off her panties right there (I could totally see her cooch!) and then she held her panties up to her face and totally closed her eyes and sniffed them all in and said, "I swear, my pussy smells like roses! Come on, let's smell yours!"

I didn't even know what to say. I mean, I'm always smelling my pussy when I play with myself and I think it smells pretty good, but to have someone else smell it—I was a little hesitant, to say the least. But how could I say no to my best friend? I was wearing jeans, so I had to take them off, and then I realized I was wearing my frilly panties and I thought she'd laugh at them but she said they were really hot and wanted to know where I got them. Then I pulled them off and she saw my big bush and she was like, "Omigod, you have pubies! I so want to touch them!" Then she walked over and took my underwear and held them up to her face just like she did her own and sniffed deeply. "Mmmmm," she said, "your pussy smells like strawberries!"

"I grinded on her and looked deep into her eyes and she gently tweaked my nipples. That was it—I came again, shaking and practically screaming—then I collapsed on her and just held her tight!"

I didn't know if that was a good thing or not, but she seemed to like it. Then she took my hand softly and kissed me, just lips, no tongue, and she looked me in the eyes and said, "I think you know how attracted I am to you. I would really like to play with your pussy. Would that be okay?"

I was practically swooning from her kiss like in one of those old movies, and all I could mutter was a hushed, "Yes." She led me over to the bed and set me down and kissed me again.

"Are you nervous?" she asked. "If you don't want me to do this, I won't, but I am really, really, really attracted to you and smelling and seeing your pussy made me totally horny!" I told her I wasn't going to say no, because I've sure thought about it enough, so when she started kissing me and caressing me and slipped my shirt off, I was probably the most turned on I have ever been—and you know how I get totally turned on sometimes!

First she played with my boobs a little bit and even sucked on them, and it felt so good I was hoping she would never stop. Then one of her hands worked its way down to my pussy. I was a little self-conscious about being so hairy down there, but she said she really liked it. "It makes you smell better, too, you smell like a real woman!" That made me feel really good and I finally started to relax.

First she ran her fingers through my bush and around my pussy lips. "It's so full!" she said. "I've always wanted to stick my face in a full bush!" At that she slowly put her head down between my legs, pulled my pubes apart nicely and let her tongue wander around my pussy, on the third circle gave my clit a little flick with her tongue and my entire body shook. I can't tell you how many times I've touched myself exactly there and it sure never felt like that!

From that point on, I was all hers. She licked my pussy like none of those dumb boys I've been with before, and she did these things with her fingers that I can't explain because I could see because my eyes were closed and my head reeling in ecstasy. She kept telling me how good my pussy tasted and that she loved going down on me, that she'd been thinking about it for so long. Then she cocked her head and started licking my pussy in some way I'd never imagined and I had the first orgasm I've ever had with another person.

Andrea giggled a little bit after I stopped shaking and said, "It feels pretty good, doesn't it?" Out of breath, I nodded that

it did. "Well, that's just the beginning. Stay here," she said. Then she walked across the floor and picked up her panties, brought them back and put them over my head so the crotch was right over my nose. She was right, her pussy did smell good. Suddenly I totally wanted to go down on her, but she wouldn't have any of it.

"Close your eyes," she said, and I did. The aroma of her panties was even stronger with my eyes closed. "I think you're really going to like this. You gotta keep them closed, just for now."

I could hear her fiddling around and it was really hard not to open my eyes to see what she was doing. Finally she got back on the bed and told me to turn over so I was on my hands and knees. I did. She said to push my ass up in the air and to rest my head on the pillow. Next thing I know, her fingers were gently spreading my pussy apart and then I felt my pussy being penetrated, but I was pretty sure it wasn't her fingers. I was kind of taken aback at first, then I just decided to go with it.

"Do you like it?" she asked, caressing my ass. I moaned that I did. "I'm going to fuck you like you've never been fucked before."

And she did.

When she stopped and turned me onto my back she told me I could open my eyes and I saw she had on one of those strap-ons with the dildos on them. So she was fucking me like she was a guy, but it was completely different. She knew just when to go slow and fast, how deep to screw me. I watched her lick her fingers and then she played with my clit and I came in like two seconds. I couldn't believe how good it felt.

"I've never cum with anyone else before," I moaned, "and you just made me cum two times!"

"Then let's go for a trio," she said. "Come up and sit on me and ride my cock."

I climbed up and rode her like I would a guy, but she was so hard and wasn't trying to prove anything, it was like she only wanted to get me off and nothing else in the world mattered. I grinded on her and looked deep into her eyes and she gently tweaked my nipples. That was it—I came again, shaking and practically screaming—then I collapsed on her and just held her tight. I don't think I've ever felt so good in my whole life.

After a couple minutes I got up and we slowly pulled the dildo out of my dripping wet pussy. "Gosh, I feel like I really want to do you, too," I told her, "but you wore me out!"

"Don't worry about me, baby," she said. "Next time you can fuck me and we'll just take it from there. This one was all about you."

Now you know why I love Andrea so much. How many girls would do that for a friend? Not many I bet!

***IT'S KINDA MEAN** to say these girls are Wasted Youth. Everyone has her use, her talent, it's just a matter of finding it. Curiously enough, all of these girls seem to have found the same strength. It's so important to find something you're passionate about, and all the better when that passion is for pecker.*

Each of these teen beauties goes in with the same attitude—bad. But they lighten up and even become downright friendly once they've got a taste of cock. We have a cheerleader, a girl smoking in a bathroom, another one a foreigner in need of a place to stay. Yes, we all have different situations and problems, but maybe the solution is always the same: Sex!

DAKODA BROOKES

Age: 18
Man: Mark Wood

Smokin' in the boys room? Dakoda? Who knew such a pretty girl would turn into such a rebel. Today she's decided to fuck class and smoke in the guy's lavatory and that's when Mark the janitor walks in. He tells her she's not supposed to be in there, and she's certainly not supposed to be smoking—and he's going to tell.

Our girl Dakoda is creative and quickly figures a way to negotiate her way out of this one: Sucking the janitor's dick. She's pretty good at it and before long they are both naked (though she leaves on her stockings, boots and belt, and he, his socks) and she's hanging onto the urinal as the floor scrubber gives her bucket a ramming.

"Oh, fuck my teen pussy!" she screams, complete with bathroom echo. "It fills up everything!" They trade positions and Dakoda rides him like a girl who isn't just trying to get out of detention, this girl is really enjoying having her pussy crammed with his mop. Her nipples are hard and he grabs tightly onto her ass and she moves quickly up and down.

He fucks her on the counter and soon it's time for the janitor's jizz, so she gets on her knees and he splatters it on her face. Amazing how his slop makes her glow. One suspects she'll be smoking in that same bathroom at the same time tomorrow.

KACEY JORDAN

Age: 18
Man: Mr. Pete

She's small and blonde and she reckons herself a bit of a badass. She talks herself up in the mirror before her guy Pete comes by, telling herself how she's going to show him a whole different side of her. The outfit starts things off right: See-through half-shirt, short plaid skirt, and stockings that say "bitch" all over them.

She's pissed at Pete for being late, but it's nothing a little fondling and sucking can't fix, and he worships her real nice.

Dakoda Brookes proves she's more than just looks!

Box cover beauty Dakoda Brookes is one Wasted Youth we'd love to fuck! So are (top to bottom) Kacey Jordan, Estrella Flores, Kristina Rose, and Nika Noire!

She returns the favor, putting her mouth around his cock as she wraps her little hand around it. Pete's pleased, but they both need more, so she settles in on top of him. "You have such a tight, little pussy," he tells her. She agrees, but she likes what she likes, and within moments she's riding his cock hard, her puffy snatch gripped tightly around his sizable meat.

He turns the tables and fucks her missionary on the couch. Her skinny legs spread and pulled back, she tells him to fuck her and play with her tits as he slides in balls-deep, her big lips popping out as she gets more turned on. When he turns her over doggie-style, he teaches her how to do the work, him propped up stationery as she pushes back on his cock. A good lesson for a teenage girl.

Apparently she doesn't need much training on how to take a load, because she is wide-eyed and eager as he covers her face with splooge. He suggests they go for some chili cheese fries and she laughs and says she'll be ready in a minute.

Imagine going to
the men’s room and
finding Princess Dakoda
waiting for you!

Kacey concentrates on getting fucked!

Estrella looks swell!

ESTRELLA FLORES

Age: 19

Man: Mark Wood

She's a giggly girl, maybe because she's slightly nervous. This is only her second scene. Not to worry, Mark is a pro and his wife, Francesca Lé, is working the camera, so everyone is cool, and Estrella relaxes quickly enough.

She doesn't suck dick like a newbie. Lots of hand jerking, her big lips working the top couple inches. "Get it nice and wet for your pussy," Mark suggests, and Estrella responds. Once they have achieved optimal wetness, she gets on top of him and lowers onto his cock. "Oh, that went in easy!" Francesca comments from behind the camera. Estrella picks up steam, rotating around, her ass jiggling delightfully as she goes up, down, and around.

Mark turns her around for missionary and starts slow. "Let it feel good," he tells her sweetly. "Everything will be all right." He has her take off her bra, exposing tiny tits with dark brown nips. He rams her harder and she watches it go in and out, the ringlets of her hair bouncing around her face from the force of his cock thrusting in and out of her.

She's a pro by the time they go doggie, her hands on the end of the couch, face looking at the camera and Mark sliding in and out. "Aye, aye, aye!" she moans as he drills her from behind. They go back to the sucking to get Mark to cum, and she works his cock more aggressively than in the beginning. He drops his load into her open mouth, her full lips working to keep it all inside. She licks him clean and then giggles to Francesca that the scene was fun.

KRISTINA ROSE

Age: 18

Man: Michael Stefano

Kristina is on the phone with one of her cheerleader friends asking if she's come up with any new cheers. Kristina has, and does it over the phone. "Give me an H, give me an A, give me an R, give me a D, give me a C, give me an O, give me a C, give me a K! What's that spell? Hard cock!"

Michael walks in right on cue, fully naked and tells her that his hard cock is there for her. She immediately gets to gobbling, drooling on it to make sure it's nice and wet when she slides it into her cheerleader cooze.

He moves in slowly, Kristina pulling her

Cheerleader Kristina
Rose in full bloom!

legs back toward her little tits, keeping her pussy tight for Michael as he works his way in her pretty hole. "Your dick is so thick!" she screams. "Oh, it's so fat, can you feel my pussy gripping your fucking cock?"

Yes, he feels it, and he feels it from a few different directions. Like reverse cowgirl, where her pussy (she even has a trimmed little bush!) rides his cock. He asks her to do her cheer again and she grabs her pompoms, and manages to get out the cheer, then just keeps howling "Hard cock! Hard cock! Hard cock!"

She gives him another cheer as he jerks off to her face, shaking her pompoms while screaming for him to "Give it to me!" He does, in and around her mouth. That's something she'll definitely want to work into her performances, as it's a real crowd-pleaser.

NIKA NOIRE

Age: 18

Men: Mark Wood, John Strong

Nika is a Ukrainian girl who needs a place to stay. Mark has the space at his place, but he's going to need some favors. John, a native of Russia, converses with the beautiful Nika in Russian, and as soon as they're done, she begins sucking Mark's cock. No going back to the U.S.S.R. for this girl!

Pretty soon both guys are getting their share of her action, John screwing her from behind (did you know Ukraine girls shave their pussies, too? They do!) while swallowing Mark's sword. They switch positions when Nika says in her remedial English, "I am ready for the next one." Ready she is, and her mouth and pussy need not take rest as the guys each nail her in every which way.

The highlight for Nika is when she sits on John and he fucks her, then pulls out so Mark can fuck her cunt, and she alternates happily between the slabs of beef. Either this girl really needs a place to stay or she's just a natural slut. Or maybe it's both. Not that it matters.

What does matter is that she takes their batter, and John plops his goo into her mouth first, then Mark lets his white cream land on top of his friend's load. "Yeah, she's a good one," Mark says. "If she needs a green card, I'll marry her."
